

Since the launch of the new Alberta Stables Initiative just one month ago, there has been considerable and consistent interest from stable owners. The web site, although still in the development phase, is up and running. Check it out at www.findalbertastables.ca .

The Alberta Stables Initiative, and its participant stables, will be promoted at numerous events throughout the course of the coming year. Early 2010 events include the Acreage Lifestyle Show March 20-21 at Stampede Park, the Mane Event April 23-25 in Red Deer and The National at Spruce Meadows June 11-13. Stable owners are invited to volunteer in the booth and assist with answering questions pertaining to boarding facilities, lessons, horse care, etc, or just drop by for a visit.

During the upcoming Horses 101 Seminar at Stampede Park, the Alberta Stables Initiative will be presented as a resource for current and potential horse enthusiasts to use in their search for stabling, lessons, training and horse leasing or ownership.

If you are interested in volunteering at an upcoming event or would like more information about the initiative, please contact [Heather Mitchell-Matheson](#) , Coordinator.
